Congressman Dalzell Retains Nomination in His District.

Pittsburg, Pa., June 24.—In an order handed down by Judge Josiah Cohen today, the commissions of Allegheny county are permanently restrained from opening the ballot boxes in the Thirtieth congressional district and recounting the vote cast in 66 precincts contested by Dr. Robert J. Black and 22 precincts contested by John Dalzell, both of whom, with Clarence V. Tiers were candidates for the Republican nomination of the district in the primaries of June 4.

Unless attorneys for Dr. Black appeal to the higher courts, the vote announced by the county commissioners shortly after the primary, now stands and Congressman Dalzell receives the nomination.

Dalzell claimed the congressional nomination over Black by 197 votes and Black contested, claiming fraud.

It is stated that Dr. Black will run independently against Mr. Dalzell in this district.

Judge Cohen in his opinion avers that the charges of fraud brought by Dr. Black were not specific and were insufficiently supported.

THEY PLEAD GUILTY.

Haas and Peckham Pay Fines and Are Released.

Washington, June 24.—Moses Haas of New York and Frederick A. Peckham of Cincinnati, after fighting for five years in the cotton leak in the department of agriculture, today entered pleas of guilty to the count in the indictment charging conspiracy and miscegenation.

On the recommendation of the department of justice, Justice Gould imposed a fine of \$5,000 on Haas and \$5,000 on Peckham, which they paid and were released from custody. The other indictments pending against them were not processed.

New York, June 24.—Tickets by the air line between Düsseldorf and Baden, Germany, good only on the Zeppelin dirigible Deutschland, will be placed on sale here this week.

The Deutschland recently made a remarkable flight from Friedrichshafen to Düsseldorf, a distance of about 250 miles, out distancing the express trains between the same points. She is the first airship to attempt a regular passenger service.
